

**029: ELECTION**

V/O

And now a message from the  
Carbuncle Party of Canada.

SFX menacing music.

ANNOUNCER

(menacing; like a movie  
trailer voice)

This November, Canadians face a  
choice. For too long, the people  
of Canada have suffered.  
Meanwhile, corporations enjoy  
record profits. On Election Day,  
vote for the Carbuncle Party of  
Canada, and send those other party  
leaders a message. The message is:

SFX of upbeat music.

ANNOUNCER

(cheery)

Buddy, you ain't seen the half  
of it!

SFX of cash register.

ANNOUNCER

"The people" have gotten a  
sweetheart deal. Weekends?  
Vacations? Workman's comp? Don't  
make me barf!

SFX of barfing.

ANNOUNCER

Ruh-roh, there go my spats! The  
Carbuncle Canada is going to grind  
down Canadian workers into a  
supple goo to lubricate the  
machinery of capital. You love it  
don't you! You're just a bunch of  
piggies, aren't you?

SFX of pigs.

ANNOUNCER

Greenbelt? Timber! Breathable air?  
Choke on it! Drinkable water? Cry  
me a river!

(MORE)

ANNOUNCER (CONT'D)  
If you're not helping the bottom  
line of our nation's puffiest  
oligarchs, well friend, go f\*ck  
yourself!

SFX of something wacky: boing or splat or...

ANNOUNCER  
And don't take it from me! How  
'bout these real Canadians?

VOX POP 1  
Someone with pink hair was mean to  
me on Twitter. On Election Day,  
vote for end-times. Vote  
Carbuncle.

VOX POP 2  
I'm a boomer and, as such, I'm  
voting based on a meme of some  
Minions calling the other  
candidates pedophiles.

ANNOUNCER  
On Election Day, vote Carbuncle  
Party. Because you if you're going  
down, you're taking people with  
you.
